Monetary. WASHINGTON, Wednesday Evening, June 21. The course of the New York market, at the official Board, has the effect rather of strengthening the local market than the opposite, especially with large holders, and the decline is believed to be a bear movement to cover shorts and to take up more stock, and such Wall-street appearances are always the forerunsers of an active and strong market. Washington has many holders of the 3.65 bonds who are firm at 75.

In New York to day the principal sales of gold were at 117%, closing weak at 117% pills. Exchange quiet and stendy. Money extremely easy at 2623. Gevernment bends dull and stendy.
